FROZEN SEMEN CONTRACT

Terms and conditions of breeding

1. Agreement

I _____

of _____

wish to purchase semen for my mare (insert name & registration number)

for the 2014/2015 breeding season.

2. I understand that it is the mare owner's responsibility to arrange a qualified veterinarian to check their mares for breeding soundness prior to being artificially inseminated.
3. Settlement of Accounts – All accounts are to be paid in full and finalised before semen is released to the mare owner/agent.
4. Frozen semen is available for French Percheron Stallion, **Oscar 566** for eight (8) straws per breeding dose purchased and for **Terkasso du Vairais** twelve (12) straws per breeding dose purchased at \$350.00 including GST.

I understand that there is no live foal guarantee with the frozen semen.

5. For these stallions frozen semen is stored at Equivet Australia and semen must be paid for and a completed and signed release form must be provided before semen is released.
6. With frozen semen the mare form attached must be filled out and supplied to the Secretary in order for a Stallion Certificate to be supplied by the PHBAA to the mare owner or agent.
7. Mares for frozen semen service must be inseminated by a vet qualified to do so. The PHBAA does not provide this service. Stallion certificates will be organised through the French Percheron Society (*Societe Hippoque Percheronne de France*) once an Artificial Insemination Certificate is provided by a qualified Veterinarian when the foal/s are born.
8. It is at the stallion service purchaser's expense to collect or ship the frozen semen once purchased. The PHBAA or its agents have no liability for any risk or expenses what so ever once semen is purchased. All costs for breeding this mare or mares are additional and at the mare owner/agent's expense.

Initial _____

Date _____

I _____ acknowledge that I have read, fully understand and agree to the conditions above. I also understand that all care, responsibility or liability will not be taken by Ballara Farm Stud, its proprietors or agents once the semen is purchased by me.

I would like to purchase _____ number of breeding doses from

Oscar 566

Terkasso du Vairais
